

EC Certificate of Factory Production Control

1224-CPD-0208

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Hollo-Bolt

for the intended use as

an expanding structural bolting assembly for use in blind fastening to steelwork

produced by the manufacturer

Lindapter International

Lindsay House
Brackenbeck Road
Bradford
West Yorkshire
BD7 2NF

in the factory at the above address

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body **BM TRADA Certification Ltd** has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the European Technical Approval

ETA 10/0416

were applied.

For detailed information on performance characteristics of Hollo-Bolt, the ETA mentioned above is to be consulted.
